ASHFORD, McDOWELL CO., N. C.

July and August, 1940

Dear Customer:

Last summer we sent out *Special Prepaid Offer* for Orders sent in during July and August. The results were very satisfactory and we have decided to repeat the offer, which is as follows:

On all orders for our Nursery Stock for delivery fall and spring 1940-1941, WE WILL PREPAY ALL TRANSPORTATION CHARGES TO DESTINATION AT NET PRICES IN THIS OFFERING, PROVIDED THE FULL AMOUNT IS SENT IN CASH WITH ORDER ON OR BEFORE AUGUST 31, 1940. POSITIVELY THIS OFFER WILL BE WITHDRAWN SEPTEMBER 1, 1940. Further, you may make personal selections in our Nurseries at no increase in prices. Our large organization of trained Nurserymen are prepared to give your order, large or small, prompt efficient service at the proper time.

This offer carries a large saving in cash to customer at our expense to induce early orders, that will help us clear some land for fall planting. IT WILL PAY YOU TO BUY NOW! All orders are guaranteed to arrive in good condition. SATISFACTION GUARANTEED.

Look over this list promptly and let us have your order at earliest convenience, remembering it will have very careful attention, whether it be for a single plant or ten carloads. The binding consideration is the order must be placed before September 1, 1940 and the full amount in cash sent with the order. Delivery at proper planting season around September 1st when the stock is well ripened, unless otherwise instructed.

We sincerely appreciate the business you have given us in the past and assure you of our continued efforts to please you. We invite you to take advantage of this exceptional opportunity to buy now and save.

THIS OFFER VOID SEPTEMBER 1, 1940.

GARDENS OF THE BLUE RIDGE,
Yours very truly,
By E. C. ROBBINS

Hardy Native Herbaceous Perennials

This list contains a variety of Herbaceous Plants furnishing a succession of bloom from early spring to late autumn, all having been tried out with success in cultivation. The height indicates the approximate height of each plant as found in wild state. The time of blooming naturally depends on locality.

Hardy Native Ferns

For shady locations, no class of plants can equal the Ferns. They are easily grown in ordinary soils and will often thrive where it is impossible to make flowering plants succeed. We handle large quantities of Ferns annually and recommend the following:

Native Lilies for Naturalizing or Specimens

	UNIT PRICE IN QUANTITIES			
	EACH	10	100	1,000
LILIUM CANADENSE. <i>Canada Lily</i> . Slender stems 2 to 4 feet high. Flowers in various shades of orange, yellow, and red. Very ornamental.				
First size -----	\$.22	\$.18	\$.14	\$.12
Second size -----	.11	.09	.06	.05
LILIUM CAROLINIANUM. <i>Carolina Lily</i> . A showy Lily somewhat dwarfer than L. superbum, with flowers a little lighter in color, but enriched with a delicate and pervasive fragrance. First size ---	.25	.20	.18	.16
Second size -----	.15	.10	.09	.08
LILIUM CATESBAEI. <i>Southern Red Lily</i> . Flowers solitary; when open they are bell-shaped, scarlet spotted with dark purple and yellow on the inside. Leaves numerous. Blooms in June and July. First size -----	.24	.18	.16	

Autumn planting is recommended for best results. This will enable the roots to get established before Winter, and start growing in early spring before spring planted stock overcomes the setback of transplanting. Autumn Planted Natives bloom well the first year and may save disappointment later.

TERMS AND CONDITIONS OF SALE

Packing and grading will be held to highest standard. Certificate of Inspection attached to all shipments. Remittance or satisfactory reference required of unknown parties. Terms to those entitled, plus packing at cost on charge orders. Claims for any cause must be made upon receipt of goods. Correspondence and inspection invited. Visit our Nurseries. Shipping instructions should always be given fully.

All stock offered in this list is strictly first class and is well graded. We can make prompt shipment, or will book and reserve such items as are wanted for later shipment. SPECIAL NOTE: We have no connection whatever with any other Nursery. We employ no agents. Our entire business being transacted from our office at Ashford, North Carolina. BEWARE OF PEDDLERS AND SO CALLED NURSERYMEN. CLAIMING TO REPRESENT US AND OUR NURSERY STOCK.

NOTE:

Should any of our regular customers wish to send in reservation charge orders as usual, invoice will be sent to cover at time of shipment. Transportation charges following to be paid by customer at destination.

Autumn planting is recommended for best results. This will enable the roots to get established before Winter, and start growing in early Spring before Spring planted stock overcomes the setback of transplanting. Autumn Planted Natives bloom well the first year and may save disappointment later.
